Playing with light

Glittering glass beads and genuine granite stones, shiny special effects and a combination of different surfaces and levels create extraordinary patterns on the wall. Depending on the incidence of light, colours shimmer with varying intensity, and reflections and gloss effects are produced. UNIVERSE impresses with unparalleled technical sophistication.

Inimitably sophisticated – a Masterpiece

With its unparalleled technical sophistication UNIVERSE is also a statement – an expression of Hohenberger's tradition and self-conception. Just like 70 years ago, manufactory-quality wallpaper is still produced here – creatively designed and perfectly implemented. The UNIVERSE collection is a masterpiece that shows off the impressive skills of the Hohenberger wallpaper manufactory.
